10. Any other information / comment / qualitative remarks (use extra sheet if required):
 - A tobacco free campus provides a healthy and safe environment for all students, teachers and staff members. Clean air helps everyone to study and work better.
 - Tobacco causes many serious diseases like cancer, lung disease, and heart problem. By keeping the campus tobacco free, we protect everyone's health.
 - A clean and tobacco free campus creates a positive image of the institution and shown that it cares about welfare.

- The event was well organized with proper planning, timely execution, and dedicated participation from Eco Club members under the guidance of Principal Neelmani Mukherjee.
- The campaign served as a significant step in spreading awareness about the use of eco-friendly alternatives.
